Commissioner for Patents
Washington, D.C. 20231

Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, applicants hereby notify the U.S. Patent and Trademark Office of the six (6) documents which are listed on the attached Form PTO-1449 and which the Examiner may deem material to patentability of the claims of the above-identified application.

One copy of JP 2000-063690 with its English-language Patent Abstracts of Japan is submitted herewith. One copy of each of the remaining listed documents is not being submitted herewith because these documents were previously cited by or submitted to the U.S. Patent and Trademark Office in prior Application Serial No. 09/536,679, filed on March 28, 2000, in the name of Tetsuo Nakamura, which is relied on for an earlier filing date under 35 U.S.C. § 120.

The present Information Disclosure Statement is being filed no later than three months from the application's filing date for an application other than a continued prosecution

application (CPA) under §1.53(d) and before the mailing date of the first Office Action on the merits (whichever is later).

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicants do not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

Respectfully submitted,

Sheldon I. Landsman
